## ABOUT SZUTEST

**SZUTEST**, with the experience of being accredited for many years, carries out certification activities for CE marking on a wide range of products. **SZUTEST** tests and inspects the conformity of products and certifies them by being aware of its responsibility in protecting public health and safety since the first day of its establishment.

## WHY YOU SHOULD CERTIFY PERSONAL PROTECTIVE EQUIPMENT?

The **Regulation (EU) 2016/425 on Personal Protective Equipment**, published in EU member states and our country, defines the obligation for manufacturers to affix the **CE Label** before placing their products on the market. For this reason, equipment that is intended to protect its user against a certain risk is evaluated and certified within the scope of the regulation.

## WHY SZUTEST?

**SZUTEST** is a notified body accredited by **TURKAK** and authorized by the **Ministry of Labor and Social Security, the Ministry of Trade, and the EU Commission**. It meets the certification needs of manufacturers with internationally valid certificates.

In addition to complying with the legal requirements, with the services you will receive from **SZUTEST**:
